Charge Policy:

Any student in grades ECE – 5, who forgets or loses his /her money, may charge up to \$5.25. Prior to this limit being reached, a written notice will be given to the student to notify the parent/guardian. If payment for charges is not received by the time this charge limit is reached, an alternate meal (cheese sandwich and white milk) will be served. If charges are still not paid after 3 alternate meals have been served, then the student will be served a healthy snack of white milk and graham crackers. We will not charge for the alternate meal or healthy snack. All other charges MUST be paid back. The manager will send the principal an email every day stating which kids were served an alternate meal.

If a student is “free”, we will NOT give them an alternate meal or healthy snack to force them to pay for outstanding charges; however, these charges will still need to be paid back. Only “reduced” or “paid” students should receive the alternate meal or healthy snack.

The kitchen manager should be talking to the principal or guidance counselor about students who do not have money on their account or who have not filled out a meal application.
